**SHOREWOOD-TROY PUBLIC LIBRARY
BUILDING COMMITTEE MEETING
Study Room
Shorewood Troy Library,
650 Deerwood Dr.
Shorewood, IL 60404
November 25, 2024, 4:30 pm**

Vice President Vito Schultz called the building committee meeting to order at 4:30 p.m. on September 12, 2024. A roll call was conducted with all members present.

BUILDING COMMITTEE MEMBERS PRESENT:

1. Vito Schultz
2. Karen Voitik

STAFF PRESENT:

1. Jennie Mills, Director
2. Cindy Norman, Finance Clerk

OTHERS PRESENT: Bret Mitchell from Ethos Workshop
Rey Gallego

CHANGES/ADDITIONS TO AGENDA: NONE

APPROVAL OF MINUTES FROM THE BUILDING COMMITTEE MEETING ON SEPTEMBER 12, 2024:
Karen moved, and Vito seconded. All voted 'Yes' to approve.

COMMENTS FROM THE PUBLIC: NONE

OLD BUSINESS: NONE

NEW BUSINESS:

- a. When the contractors tried to pull new wire to the light post at the end of the sidewalk, it was discovered that the conduit next to the building was bad and needed to be fixed. Concord OVC JV sent a change order of \$10,796.40, which is needed to fix the conduit and complete the electrical work. Out of due diligence, Bret will have Indicom come out and quote what they would charge just to complete the electrical work. This way, the board can ensure that the numbers in the change order are accurate and not inflated. Karen motioned/Vito seconded to table the approval of the Change Order until after getting a quote from Indicom. The motion passed with all members voting 'Yes.'

OTHER BUSINESS: None

Secretary Voitik motioned to adjourn at 4:47 pm; Vice President Schultz seconded. The meeting was adjourned.

Respectfully submitted,

Cindy Norman, Finance Clerk

December 9, 2024

TO: Building Committee Members

FROM: Jennie Mills, Director

RE: Conduit Repair

Indicom did provide a lower quote than Concord's change order request. Both quotes are provided in your packet. Bret will discuss the work and quotes at the Building Committee meeting.

RE: Shorewood-Troy Library – Parking Lot Lighting Feed Repair

Please accept the following Electrical Proposal regarding the *Shorewood-Troy Library – Parking Lot Lighting Feed Repair Project* on Deerwood Drive in Shorewood, IL based on email dated 11/26/2024 (Bret Mitchell), Site Walk-Thru with Jennifer Cisna Mills on 11/27/2024 and follow up phone conversation with Rey Gallego.

All work associated with the above-mentioned project is to be completed in a substantial workman-like manner. Any/all schedules provided will be contingent upon clean work areas provided by owner/GC in a timely manner and weather being moderate enough to work safely and productively.

- Electrical Base Bid (Lump Sum): **\$5,990.00**

Work Included in Proposal:

1. Coordinate with J.U.L.I.E. prior to excavation. Locate existing underground conduits and lay out underground conduit repair.
2. Coordinate with Owner for access to all electrical closets as needed.
3. Excavate around (new) light pole base to expose lighting feed conduit stub.
4. Excavate from pole base to building with mini-excavator.
 - NOTE we will try to minimize but existing landscaping will be damaged. We have not included any funds to repair and/or restore landscaping. If required, repair/restore is by OTHERS.
5. Install ¾" GRS conduit feeder in new trench. Backfill with spoils and detectable caution tape.
 - Utilize no-thread coupling at pole base and GRS ¾" to ½" change-over fitting at building.
6. Run fish tape in newly installed conduit and pull #10 conductors into building.
7. Locate existing circuit breaker and confirm it is powered off.
8. Splice new conductors at 1900 junction box above ceiling in basement of library.
9. Power on circuit and confirm functionality of existing (old) light poles by pedestrian sidewalk(s).

Clarifications:

10. No Illinois sales tax included in quote.
11. **No** Local Permit/Inspection Fees/Consumption Costs/**Bonding Costs**.
12. No Weekend Time/Holiday Time/Shift time/Overtime.
13. No Temporary Power/Lighting included in pricing.
14. No Saw-cutting, Spoil Removal or Landscaping Repairs included in pricing.
 - Backfill conduit trench with spoils is included in quote.
15. New Lighting Poles/Lighting Fixtures Furnished/Installed by Others.

Thank you for the opportunity to quote this project for you, please feel free to contact us should you have any questions.

Sincerely,

Todd Lukas
Project Manager / Estimator

Note: This proposal may be withdrawn by us if not accepted within **30 days**.
**This price is based on today's copper prices only. Prices are subject to change every day here after depending on the increase in copper. *
