

WHAT IS 1,000 BOOKS BEFORE KINDERGARTEN?

1,000 Books Before Kindergarten (1KB4K) is a program designed to help your children build strong reading skills – the foundation to scholastic success and life-long learning!

This program focuses on the Five Early Literacy Practices recommended by the American Library Association. Children who are regularly exposed to language through reading, singing, writing, and talking are more likely to have a positive attitude towards reading and tend to avoid future reading difficulties.
